

2026 Grinnell Farmers Market Rules & Regulations

CHAMBER REPRESENTATIVES:

Lauren Emge & Rachael Kinnick: farmersmarket@getintogrinnell.com or 641-236-6555

RULES POLICY:

Rules are implemented and enforced by the Market Managers and the Chamber Staff. The aforementioned individuals are the final arbiter of all market happenings. Failure to comply with the following rules or the direction of the Market Manager will mean the loss of the vendor's privilege to sell at the Grinnell Farmers Market. Requests for rule changes must be made via a written request to farmersmarket@getintogrinnell.com or sent to the offices at 833 4th Ave. Adjustments are not guaranteed. Rules are adjusted annually.

WHERE:

The Grinnell Farmers Market, overseen by the Grinnell Area Chamber of Commerce, is an open-air market and is a 100% producer market. The market is a community based event where the Poweshiek County community is able to purchase quality items that are home grown or handcrafted in Iowa and a place for area growers and handcrafters to sell their wares. Sale of antiques, used items, unoriginal craft, pets, poultry, or livestock will not be allowed.

WHEN:

The 2026 Farmers Market will be on Thursdays from 3 to 6:00 PM and Saturdays from 9:30 AM to noon. The Farmers Market will be located along the sidewalk on Broad Street from 4th Avenue to Commercial Street and 4th Avenue from Broad to Park Street. Please note market locations may be adjusted due to community events and/or construction. All full time vendors will be accommodated in those adjustments and part time stalls may be limited on those occasions. Chamber staff will work to give vendors as much notice as possible if/when an adjustment to market must occur.

MARKET SEASON:

Thursday Market: May 14-October 15

Saturday Market: May 16-October 17

FEES:

THURSDAY OR SATURDAY: Each stall will have a daily rate of \$18.00 or \$130 per stall for the season.

BOTH THURSDAY AND SATURDAY: Each stall will have a rate of \$200 for the season.

REFUNDS:

- FULL TIME: vendors will not be refunded if they choose to end their season early or miss a large amount of markets.
- PART TIME: vendors will not be refunded if they choose to not attend the markets they signed up and prepaid for. If a vendor wants to reschedule and apply their fee to a different date chamber staff will work to accommodate them, if possible.

MARKET INFORMATION:

FULL TIME VENDORS:

Vendors wishing to become full-time vendors should submit their application to the Grinnell Area Chamber of Commerce, 833 4th Avenue, P.O. Box 538, Grinnell, Iowa 50112 on or before closing on April 24, 2026. Applications and payments submitted after this date are not guaranteed a full time stall. If you have questions, please contact the Grinnell Chamber Office at 641-236-6555 or email farmersmarket@getintogrinnell.com. Reservations and payments may be made in person, online, or by mail on or before May 1, 2026. Checks should be made payable to the Grinnell Chamber of Commerce. Vendors who wish to have stalls next to one another should denote that on their applications. If two different vendors wish to share a stall space they should sign up at the same time and pay the fee for the number of stalls requested. An application is required to be on file for each vendor.

PART TIME VENDORS:

There will be limited space for part-time vendors selling on a per market basis. These part time vendors should apply and pay each week, and are required to read, understand the Rules & regulation, complete an application and hold harmless, and pay the Market Manager before setting up their tables. If a part-time vendor attends market three (3) times in the season, an inspection of property may be done, if applicable, to ensure products are 100% producer-made.

Part-time vendors should reserve one of the available part-time slots before Monday at noon (for Thursday market) or Wednesday at noon (for Saturday market) of that week by emailing farmersmarket@getintogrinnell.com, stopping in at the Grinnell Area Chamber of Commerce or by calling 641-236-6555. *Reservations after this time are not guaranteed a spot.* Part time vendors will be notified of their stall location by end of day Wednesday for a Thursday market and by end of day Friday for a Saturday market.

STALLS:

A stall shall not exceed twelve (12) feet across the front and straight back in at a ninety (90) degree angle. No one will be allowed to use someone else's stall unless the person who purchased the use of that stall has notified the Chamber they will not be attending market that week OR unless they are an employee of one of the vendors.

If a full-time vendor knows in advance they will be gone for certain markets, please notify the Chamber Representative so the layout can be adjusted accordingly. Full time market vendors are asked to notify chamber staff of an absence by Wednesday at noon for Thursday markets and Friday at noon for Saturday markets; should this timeline not be met, a fine of \$18 may be incurred. (Exemptions can be made for emergency circumstances). This allows staff to fill in part time vendors or condense markets due to missing vendors.

If a full-time vendor does not attend for three (3) consecutive weeks, the other vendors may be consolidated to fill the gap from the missing vendor. Should the vendor return for another market, they will be placed in an available spot and their original spot will continue to be occupied with another vendor.

Full time vendors commit to attending at least 60% of markets (10 Thursday markets, 10 Saturday markets) for the 2026 season (excluding the months of May & October) or they will not be eligible to attend the 2027 season as a full time vendor. If an extenuating circumstance occurs, please notify staff by calling the office at 641-236-6555.

ASSIGNMENT OF STALLS:

Stalls will be assigned by chamber staff's discretion with the focus of highlighting the variety of products and ensuring vendors who have the same product are not placed right next to one another. Stall assignments will also be based on past market attendance to ensure the market is full and inviting to customers.

TERMINATION POLICY:

A written notice will initially be given to any vendor not following the set rules of the Grinnell Farmers Market by a Chamber Representative. If the problem continues after the written notice has been issued, the vendor may be dismissed from the market as deemed necessary by Chamber staff. Refunds will not be made to vendors dismissed from the market.

If a vendor receives a food safety violation via the state, the product in question will no longer be allowed to be sold at market by that vendor. A food safety violation is also considered a written notice and the next issue may result in vendors dismissal from market with no refunds given.

NOTICE OF PHOTOGRAPHIC & MEDIA RECORDING:

When you attend the Grinnell Farmers Market or a Grinnell Area Chamber of Commerce event, photo, audio, and video recording may occur. By attending this event, you consent to such recording media and your image and likeness being used in connection with the promotion, advertising, and/or marketing of the Grinnell Area Chamber of Commerce, the Grinnell Farmers Market and the Grinnell Community. If you have any questions regarding this policy, please contact the Chamber at 641-236-6555.

GENERAL INFORMATION & RULES (applicable to ALL vendors):

1. Items for sale must be 100% grown or made by the vendor (including immediate family members (spouse, grandparents, parents, siblings and children) and employees). All items must be made or grown in Iowa. No exceptions will be made. For non-food items, inputs may be purchased but the final product must be your own creation. For example, knitters may knit sweaters – the yarn would qualify as the input.
2. Vendors may begin to set up their tables two hours before the market begins (no parking issues will be addressed until one and one half hours prior to the start of market). No sales, other than vendor to vendor purchases, may be made or products held back for customers prior to the opening signal of the market. The Grinnell Farmers Market is a certified SNAP market which means we must adhere to a start time that is advertised to SNAP participants. Failure to adhere to the start time may strip the Grinnell Farmers Market of our SNAP certified standing. If a vendor is seen making sales prior to the start

of market they will be issued a written warning. If selling prior to the start of market continues, the vendor may be asked to leave market and no refunds will be given.

- a. If a pre-sale was made at a prior market (payment was exchanged), a customer may pick up the product ahead of market; however, if no payment was exchanged at the time of order, the product may not be picked up and paid for until after the start of market.
3. Vendors may register for a maximum of 3 stalls. You may check the box indicating you are interested in another stall, but no guarantees of additional stalls will be made.
4. Vendors shall furnish their own tables, chairs, and canopies, and keep their areas clean. Canopies **must** be weighted or somehow secured, and under no circumstance shall canopies be left unattended. Canopies should be no more than twelve (12) feet wide. The chamber has a limited number of tents, tables and chairs that can be rented daily for a market. The vendor will be responsible for picking up the rentals from the office and transporting them themselves or can additionally pay a delivery fee to the rentals to be brought and picked up from their stall. Vendors will be responsible for setting up and taking down their rentals and returning them to the Chamber office.
 - a. Table \$10.00
 - b. Chair \$5.00
 - c. Tent \$25.00
 - d. Delivery Fee \$20.00
5. Tables will be set up on the sidewalk, and tents are able to span the sidewalk leaving enough room for wheelchair users to safely navigate the market. Vendors are asked to center their stalls in the middle of the space to leave room between vendors if possible. Stalls will be clearly marked on the curb.
6. Restrooms in the park shelter house will be open for vendor and customer use.
7. Each vendor is responsible for filing state sales tax permits where applicable. Generally, edibles are exempt if they are not sold as food for immediate consumption. Flowers, plants, and handcrafted items are subject to tax. Contact the Iowa Department of Revenue & Finance at phone number 515-281-3114 with any questions or forms. There is no fee for the Farmers Market Permit.
8. Vendors must provide an email address to be used for frequent communications from Chamber and Market Managers.
9. Informational booths will be limited to one stall per partner organization. A limited number of informational booths will be allowed at each market.
10. All Vendors will be required to sign a hold harmless agreement.
11. Any fundraising activities or promotions advertised at a market booth or registered for a market booth must have a direct, local tie for support. All fundraising efforts must align with the market's mission and values, and organizers must provide proof of their

non-profit status and location upon request. Non-profit organizations must comply with any local, state, or federal regulations related to fundraising and charitable activities.

12. Any vendor participating in SNAP-related transactions acknowledges that they are aware of which products qualify as allowable transactions, [specifically noting changes in the law](#) as effective January 1, 2026.

GENERATORS AT MARKET:

Vendors may not operate generators at the market without prior written approval from market management, submitted at least 30 days before the first market day. All generators must be tested for decibel level prior to approval and the start of market; testing times should be coordinated with market staff.

Generators must operate quietly at peak load, not exceeding 70 decibels of sound and must be positioned in a way that directs noise away from neighboring vendors' stalls. The suggested generator is a Honda EU 22001 or equivalent. Market management may measure noise and may require a generator to be turned off if it exceeds the limit or is otherwise disruptive as determined by market management.

Vendors are responsible for safe fueling, operation, and maintenance, including using approved fuels and not refueling while running. Use of low-noise or inverter generators, mufflers, acoustic barriers, or market-provided electrical hookups is encouraged. Repeated violations of noise, placement, or safety rules may result in revocation of generator approval or removal from the market for the day.
